

Dear Clerk,

10/17/17 (Mailed 10/18)

Enclosed is an amendment/corrections I needed to make to my motion for relief I just mailed yesterday morning to you; which you hopefully already received, scanned & filed. Please scan & file this also, & present it with my motion for relief - to Judge Harmon to hopefully consider. I still haven't heard from my attorney(s), so I can only assume neither filed for relief/reconsideration as I'd been told would be done.

Thank you for your service and understanding.

Sincerely,

David J. Bradley, Clerk of Court
